ROAD AGENT'S REPORT

For the Year Ending December 31, 1971

This year I have tried to do the best job possible. I have tried to give good service, and meet the needs of the town.

During the Spring months, roads were scraped when necessary, gravel was hauled and culverts were installed. During the Summer and Fall months the roads were scraped when necessary.

In June, the remaining 500 feet of the Mountain Road was rebuilt and tarred.

The T.R.A. money was used to rebuild and tar the Kelsey Road. This added 4,000 feet of new tarred road.

We seal coated 3 miles of existing tarred roads. The following roads were seal coated: part of McCrillis Road and part of Garland Road, all of South Summer Street and Freeman Hall and Epping Road, and Cooper Hill.

In 1971, 4 new culverts were installed on the Ledge Farm Road, 2 on Rollins Hill Road, 2 on Stevens Hill Road, and 1 at the South Side Cemetery. Also installed 1 culvert at White's Grove, Seamens Point and Mountain Brook Cove. The purpose of these culverts was to prevent washouts and the muddy conditions during the Spring season.

This Winter we have not had the snow to contend with, but plenty of icy conditions.

If I have been successful this year, the credit belongs to the men who have helped me perform my duties.

I would like to express my personal thanks to the private contractors, my employees, the Selectmen and the Townspeople for their confidence and cooperation in me.

Respectfully submitted,

JOHN T. FERNALD, JR.

ANNUAL REPORT OF LIBRARY TRUSTEES

Among the many new books added to the library shelves is a 1971 edition (24 volumes) of the Collier Macmillan Encyclopedia. An annual year book will be received each spring. Our earlier edition was presented to the school.

Circulation figures remain about the same, over 1600 for adults and 1745 for the school.

There is a good selection of books on New Hampshire and a number of books on antiques and Americana. These last are of particular interest to those interested in acquiring and restoring many articles of bygone days.

FIRE CHIEF'S REPORT

The Nottingham Volunteer Fire Department answered eighteen calls in 1971. Two were structural, two chimney fires, one standby for a flooded oil burner, one truck fire, nine grass and wood fires, two false alarms and one Mutual Aid call to assist Lee Fire Dept. Outside help was called in from Raymond, Deerfield, Northwood, Barrington, Lee and Rohester Fire Departments.

Numerous calls from the fire towers to investigate smokes were all checked out.

Again I remind you that we have five fire phones in service and they are to be used just for emergencies.

The Red Network is 679-5757.

The department held its elections in May with the following results:

Chief: Gary Chase
Captain & Secretary: Robert Harmon
First Lieutenant: George Myers
Second Lieutenant: John Fernald, Jr.
Third Lieutenant: Ronald Chase
Treasurer: William Fownes

I would like to thank all who donated both time and services which helped make our Fourth of July Celebration a big success. We are in hopes to have a bigger and better celebration this year and hope you all will attend.

The department would like to take this time to thank retired Chief Leroy "Roy" Batchelder for the work he has done for the town and the department for the past twenty-four years. He has brought the department a long ways. Thanks again, Roy.

The meetings are held the first Tuesday of each month. This is your department, it is open to anyone and you are welcome to belong or just to come and visit.

Respectfully submitted,
GARY CHASE
Fire Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Lest We Forget – It Can Happen Here

Disastrous forest and brush fires that destroy hundreds of homes are more prevalant on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellar-holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947 nothing could stop the wind-driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, diiscard a firebrand — a lighted match or a glowing cigarette.

2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.

3. If you camp or picnic, be sure open fires are allowed and if they are, put them *dead out* when leaving.

4. *Most important* — Instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year — 1971 was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

REPORT OF THE PLANNING BOARD

During the past year at our regular board meetings, we have been working closely with the Building Inspector in approving building permits for new homes and mobile-homes. Prior to obtaining a permit, a land owner must first receive approval from the State Water Supply & Pollution Commission. Once this is received, the board can act upon any application.

The Board has also been working with the Town Sub-Division regulations to see that the town has orderly growth. Throughout the past year, we held public hearings for sub-dividing parcels of land and residential development.

Our Board meets the third Thursday of every month at the School House at 8:00 p.m., guests are always welcomed.

Respectfully submitted,

CHESTER G. BATCHELDER

Planning Board Chairman

REPORT OF THE BUILDING INSPECTOR

Receipts	$445.00
Paid to Treasurer	445.00

From January 1, 1971 to December 31, 1971 fifty-eight building permits were issued.

These permits were as follows: 25 houses, 15 additions, 9 trailers, 6 garages, and 3 swimming pools.

There were 11 Sub-division permits issued in 1971.

NOTICE

According to the laws of the Town of Nottingham and the State of New Hampshire, a building permit (cost $5.00) is required when—

1. Erecting any building.
2. Moving any building.
3. Alterations of existing buildings.

ZONING ORDINANCE

Article III

1. No junk yard or place for the storage of discarded machinery, vehicles, or scrap materials shall be maintained in any district.

REPORT OF CHIEF OF POLICE

Following is a report of activities submitted to the townspeople by the Chief of Police for the year ending December 31, 1971.

During the past year we were called upon to answer a total of 200 calls.

There were 19 Automobile accidents investigated. There were 20 house breaks, 1 lost person, 2 runaway children, 1 attempted suicide and 8 skimobile incidents. There were lost or wanted persons located. There were 8 warrants served and 16 dog complaints.

At this time I would like to express my appreciation to Officer William Pevear and the Rockingham County Sheriffs Department and the New Hampshire State Police for their services and cooperation during the past year.

ANNUAL REPORT

RURAL DISTRICT HEALTH COUNCIL

January 1, 1971 – December 31, 1971

The Rural District Health Council continues to provide visiting nurse service to the member towns: Northwood, Nottingham, Deerfield, Barrington, Strafford, Middleton and New Durham. The nurses have continued to provide nursing services to patients needing care and have expanded the Family Planning Program to include all of the towns of the Council. In April, with the assistance of Mrs. Mary Caminati, N.H. Public Health Nurse, a Child Health Conference was started at the Community Center in Deerfield to provide physical examinations and immunizations for preschool children in the towns of Northwood, Nottingham and Deerfield. If indicated, the children are referred to other services. The attending physician at the monthly conference is Dr. William Whitney of Exeter. In September, with the aid of Mrs. Muriel Morin, N.H. Public Health Nurse, a monthly Child Health Conference was started at the Town Hall in New Durham for the towns of New Durham and Middleton with Dr. Wendy Tinklepaugh of Amherst, N.H., as attending physician. We are hoping to establish a Child Health Conference for Barrington and Strafford in the spring of 1972.

The following statistical report covers the year of 1971:

Total number of visits: 1543.

Barrington	271	Northwood	185
Strafford	163	Nottingham	111
New Durham	272	Deerfield	249
Middleton	292		

Total number of visits to Child Health Conferences: 320

Northwood	*Nottingham*	*Deerfield*	*Middleton*	*New Durham*
81	57	105	33	44

Number of children attending conference:

37	33	57	15	37

Number of families represented at conference:

16	18	28	10	12

We are very fortunate to have Miss Arlene Thorne covering the Strafford County towns and Mrs. Madeline Sullivan in the Rockingham County towns. These two nurses are very dedicated to their duties and provide excellent nursing care for the people of the Rural District Health Council.

The Rural District Health Council has been supported by the funds contributed by the towns at a rate of $1.00 per capita, a state grant and fees for service.

Anyone interested in the program or needing the service is asked to contact the Portsmouth Rehabilitation Center — Tel: 436-5716 or a representative of the Rural District Health Council in your town.

REPORT OF THE

250th ANNIVERSARY COMMITTEE

Since the appointment of this Committee about two years ago, it has accomplished a great deal toward the Celebration of the 250th Birthday of the Town of Nottingham. The Celebration dates will be August 18, 19 and 20, 1972. (Do not forget these dates, AUGUST 18, 19 and 20, 1972). Please invite all your friends and neighbors to come and visit with us during this happy occasion. The present plans call for a very interesting program of events to take place on these dates. Several sub-committees have been working hard to bring this about.

The Medal Committee has designed and caused to be minted by the Robbins Co. of Attleboro, Mass., 700 Silver and 1000 Bronze Medals, which have been on sale since early September 1971 and are selling very well. There are some left and may be obtained from John R. Tuttle or Brad Batchelder Jr. The cost is $10.00 Silver and $2.50 Bronze. Silver Medal #12 will be donated to the Ray Wheeler Collection at the New Hampshire Historical Society. Silver Medal #250 will be retained by the Nottingham Historical Society for the Town. A Medal auction will be held on August 19, 1972, during the Celebration, at the Town Hall, and a total of nineteen Silver Medals will be sold, including #1 through 10, also #17, 19, 22, 72, 100, 200, 300, 400, and 500.

The Plate Committee has designed a Commemorative plate and mug. They may be obtained from Mrs. Doris Foss at a cost of $2.50 and $1.25 respectively. These items are selling fast and should be sold out soon. There will also be other souvenirs available during the Celebration, the responsibility of Mrs. Marion Colby.

A march to Medford, Mass., is being planned with volunteers from several neighboring towns along with men from Nottingham, to retrace the steps of those who left

Nottingham for the Battle of Bunker Hill. There will be refreshments available during the Celebration, catered by local organizations and clubs, also a supper at the Center on August 19th, and a supper on the North Side (Freeman's Hall) on the 20th. The School has been invited to participate and is now working on several projects to be a part of this Celebration. There will be guest speakers and music for all occasions. The major working projects in the coming months will be the planning of the Parade and the final set-up of the Program, which we hope will be enjoyed by all residents of Nottingham and surrounding towns.

James Kelsey, Treasurer of this Committee, reports funds now on hand sufficient to repay the Town for the loan advanced, however, there still remains the Parade and Program to be financed. With the sale of the remainder of the Medals, Plates, and other souvenirs, we feel assured the Town will be reimbursed the entire amount of money advanced.

Anyone wishing to be a part of this Celebration, may volunteer to any of the Committees they would like to assist. Any help given will be greatly appreciated and needed in many ways during this once in a lifetime affair. If you would like to loan any items for display or use, donate time to help set up displays, organize grounds, work on the Parade or Program or whatever, in any way to further this Celebration, PLEASE VOLUNTEER NOW. You may contact any of the following: J. L. Davis; J. R. Tuttle; J. A. Perkins; A. F. Demeritt; D. G. Foss; E. O. Foss; M. Colby; M. G. Smith; L. Batchelder; B. P. Batchelder Jr.; M. L. Fernald; J. THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Nottingham qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 3rd day of March 1972, at 8:00 o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agent of the district.

2. To hear the reports of agents, auditors, committees, or officers chosen and pass any vote relating thereto.

3. To choose agents and committees in relation to any subject embraced in this warrant.

4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.

5. To see what sum of money the district will raise and appropriate for the payment of tuition to other school districts beyond the legal obligation of the school district.

6. To see if the school district will authorize the school board to make a contractual arrangement with the Dover School District on an annual basis as provided in RSA 194:22.

7. To see what sum the District will vote to raise and appropriate for the construction of an addition to the Nottingham School and whether the District will

vote to authorize the issue of Serial Notes or Bonds upon the credit of the District for all or any portion of the sum so raised and appropriated; and to authorize the School Board to determine the terms and conditions upon which the Notes or Bonds shall be issued, including their sale, the time and place of payment of the principal and in accordance with the Municipal Finance Act, N.H. Rev. Laws, Chapter 33 and any amendments relating thereto.

8. To see if the district will vote to raise and appropriate the sum of $1,000.00 for a contingency fund as provided by the New Hampshire Revised Statutes Annotated, 196 4B.

9. To transact any other business which may legally come before this meeting.

REPORT OF THE SCHOOL DISTRICT MEETING

March 5, 1971

The Annual Meeting of the Nottingham School District was held at Nottingham School, at 8:00 p.m., on the evening of March 5, 1971. Moderator John Perkins called the meeting to order, read the Warrant and discussion followed.

ARTICLE I. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agent of the District.

The following salaries were suggested:

School Board Chiarman	$250.00
School Board Member (each)	200.00
Moderator	10.00
Clerk	10.00
Treasurer	100.00
Auditor	25.00
Preparing Town Report	35.00

Motion was made by Richard Fernald and seconded by Richard Bengtson that the above salaries be accepted.

Voted in the affirmative

ARTICLE II. To hear the reports of agents, auditors, committees, or officers chosen and pass any vote relating thereto. There were no reports made at this meeting, as all such reports are contained in the Annual Town Report.

ARTICLE III. To choose agents and committees in relation to any subject embraced in this warrant.

There were no agents or committees chosen under this Article and no action was taken.

ARTICLE IV. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the District.

The 1971-72 Budget of the School District was read, item by item, by Chairman Richard Fernald. Motion was made by Richard Bengtson and seconded by Richard McGowan, that item, "Other Expenses", be increased from $300.00, to $2300.00.

Voted in the affirmative

Motion then made by Richard Fernald, seconded by Richard Bengtson, that the sum of $166,679.31 be accepted and appropriated for the 1971-72 School Budget.

Voted in the affirmative

ARTICLE V. To see what sum of money the District will raise and appropriate for the payment of tuition to other School Districts beyond the legal obligations of the District.

Motion was made by Richard Fernald, seconded by Richard Bengtson, that the sum of $9799.00, be raised and appropriated for the payment of tuition beyond the legal obligation of the District.

Voting was by paper ballot, using the official Town of Nottingham Check List of Legal Voters, with Check List Supervisors Evelyn Glover and Florence Kelsey supervising. With all votes cast, motion was made by Florence Kelsey, seconded by Mary Regan that the polls be closed. From a total of 87 ballots, 70 "yes" and 17 "no".

Voted in the affirmative

ARTICLE VI. To see if the District will vote to raise and appropriate the sum of $1000.00, for a contingency fund, as provided by the New Hampshire Revised Statutes Annotated, 196:4B.

Motion made by Richard Fernald, seconded by Richard Bengtson that the sum of $1000.00 be raised and appropriated for the purpose contained in Article VI.

Voted in the affirmative

ARTICLE VII. To see if the District will raise and appropriate the sum of $2700.00 to pay the tuition of Nottingham children, who are eligible and who wish to attend the Nottingham Kindergarten. The Nottingham Kindergarten is to furnish a teacher certified by the New Hampshire State Department of Education and is to be conducted in suitable quarters as required by law. It is further understood that the kindergarten is not affiliated with any church or religious group, nor is this a part of the public school system of Nottingham.

Before any action was taken, Mrs. Charles Doughty read a statement prepared by the Board of Directors of the Nottingham Kindergarten, stating that they were opposed to accepting any funds from the Town.

Motion was made by Archie Fernald and seconded by Richard Bengtson that Article VII be tabled.

Voted in the affirmative

ARTICLE VIII. To see if the School District will authorize a School Board Member, a Selectman and the School District Moderator to oppoint two voters of the District to act with them as a Building Committee, to determine what additional classroom space and facilities are needed. This Committee to report back at the next annual District Meeting, or at a special meeting if so desired.

Motion made by John Terninko, seconded by Forbes Bryce, to amend Article VIII, to authorize a Building Committee, to consider alternatives other than additional square footage of space and facilities.

Voted in the affirmative

Motion made by Richard Fernald, seconded by Richard Bengtson that Article VIII, be accepted as amended.

Voted in the affirmative

ARTICLE IX. Shall the School District accept the provisions of RSA 195-A as amended, providing for the estab-

lishment of an Area School, located in Dover, to serve grades 9-12, from the School District of Nottingham, in accordance with the provisions of the plan on file with the District Clerk?

After discussion from the floor and explanation by School Board members of the meaning of the Area School concept, Motion was made by Donald Perkins, seconded by Richard McGowan, that the School District accept the provisions of RSA 195-A, as amended, to provide for the establishment of an Area School in Dover.

Voting was by paper ballot, using the official Town of Nottingham Check List of Legal Voters, with Check List Supervisors Evelyn Glover and Florence Kelsey supervising. After all ballots were cast, motion made by Richard Bengtson, seconded by Mary Regan that the polls be closed. Of a total of 97 ballots, 67 "yes" and 30 "no".

Voted in the affirmative

ARTICLE X. To transact any other business which may legally come before this meeting.

Mr. and Mrs. Robert Dupont complained that one of the teachers had abused one of their children.

No discussion followed.

John Terninko made a motion, seconded by Sam Richardson, that any future bids for transportation and other contracted services, be published in two newspapers. Vote was taken by a show of hands, with 22 voting "yes" and 53 voting "no".

Voted in the negative

John Terninko made a motion that the School Board be increased to five members instead of three. Superintendent Mogan advised that this was not legal in a town where there was no high school.

There being no further business, motion was made by Florence Kelsey, seconded by Evelyn Glover, that the meeting be adjourned. Meeting adjourned at 10:30 p.m.

Respectfully submitted,

MARY E. REGAN

Clerk

TOTAL	2	1	21	15	26	11	74	

The 1970 U. S. Census indicated that the State of New Hampshire had a 19% increase in population over the figures released in the previous decade. In the community of Nottingham, a 13% increase in the elementary population over the last two years has been manifested by overcrowded conditions in several classroom areas. Should this trend continue, space for the education of children will be at a premium or lacking altogether.

A Building Committee, established at last year's School District meeting, has been diligently assessing the physical needs of the elementary school and should have a final recommendation for the voters to act upon in March.

The AREA agreement with Dover, voted in the affirmative at last year's meeting, did not win the approval of the Dover officials. At present we are sending our students to surrounding high schools on a one-year contract basis. Therefore, no guarantee is given that a school will be available to provide secondary education for Nottingham students over a long period of time.

For the first time in several years the teaching staff of the Nottingham Elementary School remained intact. This was the only school in Supervisory Union No. 44 that could claim that distinction. It is apparent that the teacher shortage is over and the turnover rate should diminish accordingly.

However, in the Sciences, Mathematics and Early Childhood areas, among others, a shortage of qualified personnel still exists. The surplus of teachers seems concentrated in the fields of English and Social Studies.

The Title I funds available to Nottingham under ESEA have been utilized to raise the reading level of youngsters functioning below their grade level. New federal guidelines make it mandatory for a district to make an equivalent contribution to any program established under this federal act. Nottingham has made this a part of its school budget in the past and are thus conforming to this regulation.

The Title I office is now recommending programs that would benefit several schools within a Supervisory Union. Such services as speech therapist, psychologist, reading consultant, etc. are being given high priorities.

As a result of recent legislation, the education of the intellectually, emotionally and physically handicapped children becomes a direct responsibility of every school district in New Hampshire. If apprporiate programs are not available within the school district, then tuition and transportation costs up to the state average must be paid to an approved school for the handicapped.

Another statute concerning health policies will have a direct effect on local schools. The School Board is presently studying a new policy for Nottingham District and will release it when it becomes finalized.

Much has been written recently about the necessity of a new source of revenue to finance education. The property tax as a means of support for education has been challenged in several states and court cases are pending that may have a direct result as to what direction New Hampshire will take in the near future. One might study the alternatives available to be able to render an intelligent decision as to what tax program one might support.

The undersigned would like to at this time thank the citizens of Nottingham, the School Board, the staff administration and the pupils for their fine cooperation during the school year .

Respectfully submitted,
CHARLES H. MORGAN

REPORT OF THE NOTTINGHAM SCHOOL BOARD

This report covers a period from July 1970 to July 1971. This Board was pleased that the entire staff of teachers were re-hired for the ensuing School year and this has provided continuity and rapport between the administration, the teaching staff and the School Board.

The pilot program of departmentalization of the higher grades achieved favorable results, so that the Board elected to try it for another year.

The Board was disappointed in the City of Dover, New Hampshire for not voting to accept the Area School Plan, which Nottingham had voted to accept at the Annual District Meeting, in 1971. On a temporary basis, the Board has signed an agreement to send our High School students to Dover for one year and hopes that this arrangement will be continued on an annual basis, until more permanent plans can be formulated.

The Board elected to install a new septic system and leach field to correct inadequacies of the old system, due to the increased enrollment. The contract was awarded to the lowest bidder, after being duly advertised. The new system should be adequate for current use and is capable of expansion to meet future needs, consistent with State of New Hampshire Health standards.

PRINCIPAL'S REPORT

In 1971 the Nottingham Elementary School continued in its changes and progress as part of last year's efforts as well as this year's endeavor to meet the needs of a growing school and community.

We, the administration appreciate the work done by all for 1971, for what lies in the future will even need more to be done as part of experiencing a schools growing pains.

Since the ending of school in June 1971, adequate improvements have been made in the physical plant such as screens for windows, new desks, bathrooms equipped with new sinks, dispensers, bathroom walls and floors covered with fiber-tex material, painting and repairs of plant, two new drinking fountains and a recreation ladder for the playground.

Due to the tremendous rise in enrollment, a new teachers aide was hired for the third and fourth grade room We also have an art teacher and a music teacher that come to the school once each week.

We applied for Title I & II projects which were approved, giving us new materials to strengthen our future library, English and science departments.

Respectfully submitted,

CHARLES KARACAS
Principal

REPORT OF THE BUILDING COMMITTEE

At the last School District meeting, a building committee was voted. It was to consist of five members. They are as follows: John A. Perkins, school district moderator; Philip Fernald, selectman; Richard C. Bengtson, school board; Bradford Batchelder, Jr., and Thomas Sweeney.

The first meeting was held early in the spring and John A. Perkins was elected chairman, and Richard Bengtson, secretary. During the past year this committee has met approximately 20 times. It has met with several architects to discuss our needs, types of construction, state rules and regulations, etc. The committee has also visited and viewed new additions in Epping, Northwood and Deerfield.

Alternate solutions to provide more space, such as double sessions, and year round schooling have also been looked into.

It was a unanimous feeling by the committee that the best solution was to build a four room addition at this time. On this basis, Mr. Robert Carlson, a resident of Nottingham was engaged by the committee to do the preliminary design work and cost analysis on a four classroom addition, with toilets, and storage area.

The result of Mr. Carlson's labor was a floor plan agreed upon by the committee, and a cost figure of $104,-860.00 which was presented to the town budget committee and approved. It is the recommendation of the building committee that $24,860.00 be raised this year, and $80,000. bonded, to be paid back at the rate of $20,000.00 a year for the next four years.

Respectfully submitted,

RICHARD C. BENGTSON
Secretary for the
Building Committee

SCHOOL HEALTH REPORT

To the Superintendent of Schools:

During the year 1970-71, the usual Health Program was carried out. Each student received a general physical examination. Each student received an audio and visual test. The new machines purchased for these tests have made it possible to check and recheck where there were problems, and make referrals to parents .

A dental clinic under the New Hampshire Bureau of Dental Public Health benefited 27 students in grades 1-3. The Nottingham Woman's Club provided the matching funds, and provided the transportation on clinic days.

Preschool Clinic was held in May.

A Hygiene Program with films as an educational aid was presented

Grades 1-3	"Take Time for Your Teeth"
Grades 1-6	"Dental Care"
Grades 5-8	"Color of Health"
Grades 5-8	"Importance of Physical Education"
Grades 5-8 (Girls)	"Story of Menstruation"

Referrals were made for testing at Portsmouth Rehabilitation Center, The Rural District Health Council and Exeter Clinic Pediatricians and parents, for further evaluation of individual problems.

I wish to thank Mr. Morgan, the School Board, the Principal, the Teacher and Parents for their cooperation.

Respectfully submitted,

JEAN B. FERNALD, R.N.

REPORT OF THE TRUANT OFFICER

To the Superintendent of Schools:

The year 1971 had few problems for the Truant Officer.

One School Truancy. Letters delivered, upon request of the School Board, were accepted by parents.

I wish to express my appreciation to the School Board, the Teaching Staff and the Parents for their cooperation.

Respectfully submitted,
